SORRY, TAXPAYERS, THESE STUDENTS AREN'T JUST GETTING THEMSELVES AN EDUCATION AT COLLEGE, THEY'RE FUCKING UP A STORM AS WELL. AT LEAST, THAT'S WHAT THEIR LUSTY LETTERS ARE TELLING US...

GYM (FUCK) BUNNIES

I recently decided to join a local gym. I'm not an overweight girl – far from it, I've always had a nice firm body – but I hadn't really done any sport since leaving school a couple of years ago, and I didn't want to start getting out of shape.

I booked an induction course and turned up on the day to be greeted by my personal trainer, Lisa, a short blonde girl with a fantastic little figure and a really cute smile. After a brief chat she started showing me how to use all the different types of exercise machines in the gym.

I didn't realise at first but she was being quite tactile with me. Every time she explained a new piece of equipment she would touch the area of my body that it was supposed to benefit. When I did realise her hands were spending a bit too much time on certain parts of my body I got ever so excited.

We moved on to other machines and each time the touches became more obvious. By this time I was feeling so excited I looked round to see if there was anybody else in view. There wasn't, so I leaned forward and kissed Lisa.

She was initially taken aback by my advance, but she certainly wasn't scared off. We locked tongues and began a very passionate embrace. Her hands planted themselves on me again and began to roam my body. I did the same and went straight for her small, firm mounds.

For a few minutes we continued to kiss and caress each other before she suggested: "we ought to go somewhere a bit more private."

Lisa stood up and led me to a store room. It wasn't the most glamorous of places but it didn't really matter where we were. As soon as she closed the door we were plunged into darkness and left to our own devices.

Our kissing resumed only this time it was more frantic. Lisa's hand went straight down the front of my leggings and since I wasn't wearing any knickers she soon felt my damp snatch. I opened my legs slightly to allow her more movement. She gently rubbed my slit before plunging a couple of fingers into my wet hole.

For what seemed like ages, Lisa fingered my drenched pussy. She would vary the speed at which she frigged me, sometimes rubbing gently on my clit, other times ramming a couple of fingers inside me as quick as she could.

Then Lisa positioned herself on the floor, legs wide open, and asked me if I would lick her clit and her hole. How could I resist? My tongue lapped gently at her clit while my fingers explored her hole. I could see she still wanted more, so I eased another finger up her bum hole. That seemed to do the trick and my tongue could barely keep up with her writhing in ecstasy.

With my fingers and tongue going at it overtime it didn't take long for Lisa to come, which only made me even hornier. Then she grabbed my hair, pulled me up to her face and kissed me full on the lips so that she could taste herself.

After letting Lisa have all the fun it was finally my turn. She ordered me to get on all fours with my legs slightly open. She stroked me all over for a while, and then began to focus on my already soaking pussy. She kneeled down behind me and pummelled her fingers in and out of me again. I was screaming with pleasure as she squeezed one finger up my bum.

Then she introduced her tongue and licked desperately at my pussy and arsehole. There was only so much of this I could take before my awash with climactic joy. I wriggled and bucked as every one of her tongue strokes sent me deeper into an orgasmic trance. I can honestly say I'd never quite experienced such an overwhelming climax.

Both spent, Lisa and I remained entwined on the floor. It took us some time to regain our breath and I was so knackered, my workout in the gym was cut short. It didn't matter though, because I knew I'd definitely be going back there again.

Karen, Bolton.

intrigued (which I generally am by cute girls without any clothes on!) I picked up a copy. Well, once I got home I was glad I had – all of the girls were as sexy as hell, but Dani absolutely blew me away! Those lovely little boobs and shaven fanny of hers are just about my idea of perfection, and I've spent hours studying just about every square inch of her body. I envy the guy(s) who ever get the chance to do the same with the girl herself – I think she's got a fantastic future ahead of her studying beauty, too – let's face it, nature's given her a real head start!

Keep up the good work, guys – and let's have loads more lovelies like Dani, please!

Steve, Portsmouth.

UNI-PERVERSITY

I'm at University at the moment and loving every minute of it. I don't want to get tied down with a boyfriend because I'm enjoying life too much, so I had to find someone I trusted who was willing to fuck me in the arse (any takers?). In the end I thought of Scott. We'd had a little in my first year and we were still good friends, so I called him up and told him what I wanted. Scott was reluctant at first, because he now had a girlfriend and he was "very much in love" but I told him he shouldn't turn his nose up at a free lunch.

"Emma will never know. Just come round and fuck me in the

Anita Pearl's made quite a name for herself on the modelling front over the last year or two, but here at *Teens Untamed* we've managed to get hold of a set of pictures of her when she was brand new on the scene – an innocent young cutie who just couldn't wait to start spreading her legs and furthering her career!

"Well, I wasn't than innocent!" she told us when we spoke to her recently. I'd already had a couple of boyfriends by then, and I definitely knew that I liked having a cock in my life – and in my pussy, of course!"

Good for you – and even better for the bloke who finds himself at the other end of that cock! – but what about the nursing studies. How's that coming along?

"Oh, that's all on the back burner at the moment. I'm having too much fun modelling and travelling around to want to spend my time with a load of sick people right now."

Well you've come to the wrong place here then, love!

PETITE YOUNG THINGS
Starring: Brandy Blair, Dani Jensen, April O'Neil, Rosemary Radeva, Kylee Reese, Barrett Blade, Ethan Cage, Christian, Dale DaBone, Mark Wood.
Directed By: Ren Savant.
Available From: Adam & Eve.

Can you spot his tattoo, readers?

Having not written for *Teens Untamed* before, I realise on my way to the location that I had better make this article good. No pressure, then. The movie that I'm reporting on today is called Petite Young Things, and I can't help but wonder to myself how petite we're talking about, and hope that there are no dwarves involved…

I arrive at the address given to me by the PR girl at Adam & Eve, and check the piece of paper again. Yes, this is definitely the place. The location for today's shoot is a beautiful villa, set deep in the heart of LA, and screams money.

A young lad lets me in, points to a room off the main hallway, and disappears. Gingerly, I wander into the room that he'd motioned to, to be faced with two burly-looking blokes in Adam & Eve T-shirts and the sight of a gorgeous redhead sat on the floor, delving through what appears to be a mountain of underwear, and when I say mountain, that's not a big exaggeration. I imagine it to be similar to emptying the contents of Jordan's closet out – all frilly knickers, skimpy strings and stiletto heels.

Before they notice me lurking, I quickly announce myself to the room, and am introduced to producer David Lord, director Ren Savant and the redhead, who it turns out is Dani Jensen, and is the star of this morning's scene. I try to play it cool, but I feel my heart in my throat and my mouth drying out rapidly. She's obviously used to having this effect on men, because she doesn't pay any attention, she just smiles and giggles, then gets back to her underwear-hunting mission. The thing that immediately strikes me, apart from her beauty, is just how tiny she is – but I guess that's the point. Managing to get chatting to her a bit later, she tells me that she's just 5'1" and 100lb (a little over 7 stone). At 6'1", I feel like a gangly giant next to her and tell her so. She giggles and squeals to me, "I could fit in your pocket! I'm pocket sized, like Polly Pocket!" If only she could…

After what feels like an eternity, Dani finally finds the outfit she's been hunting for, has her make up and hair done, and they're ready to start shooting. Although her outfit's simple (small plaid shorts, a tight blue vest and sandals), she looks fucking hot, and I feel a slight twitch in my cock-region. This is my biggest fear – getting a chub-on during filming

Who needs tea when you can suck on a cock?

Hmm, it's a teenie pussy! Fancy a nibble?

be faced with a naked muscleman, who thinks nothing of wanking himself off, while chatting to you about the weather.

Director Ren goes through the scene roughly with Dani before the filming starts, and I find myself really enjoying her personality – as well as her endless legs and cute little arse. Funny, a little dorky, but very, very cute, Dani is fast becoming my favourite porn star, and again, I concentrate on keeping my member under control.

They begin to film, and the premise is a very simple one: Christian, who's upstairs on the mezzanine, calls Dani into the lounge and tells her he wants her to strip off and bend over, so he can perv at her from above. She obliges, and sexily wiggles out of her thin shorts, revealing a little turquoise thong, and her smooth, peachy arse. She bends over the bed and, looking up at Christian, cheekily slaps and fondles her butt cheeks, teasing him. I feel my stomach knot up.

He tells her to take the rest of her clothes off, and she does so, slowly, revealing the perkiest tits I've ever seen. Licking her fingers and pinching her hardening bullets, she asks sweetly, "Do you like my little Hershey Kiss nipples?" Stripping off her tiny thong, Dani lays back on the conveniently placed circular bed (doesn't everyone have one in their living room?), and starts to play with her beautiful pussy. I notice that her pubes are just as ginger as the hair on her head, and again, I feel the definite beginnings of a boner.

Finally they get down to the bit we've all been waiting for, and Christian joins Dani, spreading her legs to reveal her juicy twat and starts lapping away. I can't tell if Dani's faking or not, but because she's moaning so loudly I mentally take notes of his technique, for future reference. He pushes her legs back and she squeals as he runs his tongue down to her little puckered arsehole and eats her deeper, and, as she talks dirty to him, my twinge becomes a semi-on.

Before she gets too comfortable, Christian unzips his jeans and gets his prick out. Dani kneels before him, ready to give him head, and suddenly I'm nervous for her. Christian's cock looks like a fucking monster, and I can't envisage how, logistically, something that huge can fit into something so obviously tiny. The thought obviously crosses Dani's mind, too, as she exclaims, "Oh my God, it's the size of my head!" And she's right. Still, being the pro she is, she gags and chokes her way into giving him a blow-job to be proud of. OK, so only half of Christian's mammoth dong is disappearing, but it's fairly obvious to all that Dani's not got much choice but to deep-throat him as he holds her head, and deep-throat him she does, spit dribbling down her

"She squeals as he runs his tongue down to her puckered arsehole..."

(let alone before it even starts), showing myself to be the live-grot virgin that I am. Don't get me wrong, I've been on sets before, but they've all been girl-on-girl magazine shoots – all very fluffy and girly, whereas this is a different kettle of fish. In a matter of moments, I'll be witnessing all-out hardcore in the making.

Now, as I brace myself to think of Ann Widdecombe nude to get rid of my impending lob-on, in walks 'the stud' from another room. And he's naked. Christian, as I find out he's called, wanders on to the set, unconsciously stroking his huge member. Now, it's one thing ignoring the bloke next to you at the urinals, but quite another to

chin all the while. The noises she's making are possibly the horniest thing I've heard and I tie my jumper around my waist to hide my now-protruding hard-on.

Then, suddenly, in a move that a wrestler would be proud of, Christian grabs Dani round the waist, and flips her upside-down for a standing 69. I have to admit I'm more than a little impressed by this, but realise she weighs no more than a Hobbit and quickly decide that it probably wouldn't work with my size 16 missus. Dani grabs his cock and guides it into her waiting mouth, slobbering greedily as she tries to cram as much as she can in. They stay like this for some time, Dani's slender legs wrapped around his shoulders.

Swinging Dani round like a doll, Christian then plants her firmly on his cock, fucking her tight hole standing up. She rides him, squealing and moaning the whole time, her pussy swallowing much more of his knob than I thought possible. Without missing a beat, he manoeuvres back towards the bed and lays back on it, with this sexy creature still mounted on his cock. I have to admit the guy has talent.

It's obvious straight away that Dani prefers this position. As soon as her legs hit the bed, she starts riding him faster, taking his entire length inside her. He grabs her waist and starts to pound her, his balls audibly slapping against her butt as he pulls her down hard.

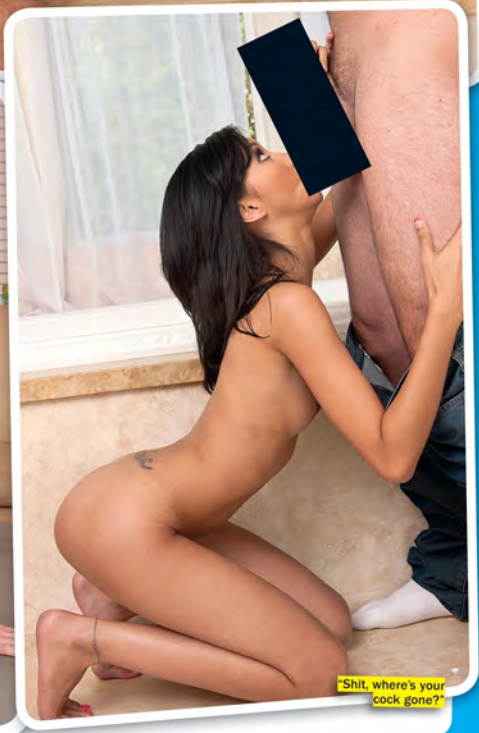
Perhaps the highlight of the scene is next, though, as he lowers her off the edge of the bed onto her shoulders, positions himself above her, and begins to fuck her in a piledriver position. Although he begins slowly, it's not long before Dani's shouting out to be fucked harder, and as he does, I can see the outline of his cock banging away at her, through her stomach. It almost reminded me of something from Alien – although much sexier – and I found myself fascinated. Christian continues to pound away at her relentlessly, and it's not long before she starts to come – her face reddening and her small frame shaking with pleasure.

Although she comes again, in a reverse cowgirl this time, Dani insists that Christian unloads in her mouth, which he duly does, spraying his sticky load all over her pretty face, and over her tongue. She laps it up and swallows it down, making sure she doesn't miss a drop, and I find myself envious of Christian, not for the first time today.

And, disappointingly, with that jet of jizz, it's all over. It takes me a few minutes to calm myself down – I'm just glad I'm nearer the exit than anyone else in the room, and escape to the toilet quickly. I feel proud that I got through my first porn shoot unscathed, and I didn't come in my pants. I'm pretty sure I could do this again, you know…

"Swinging Dani round like a doll, Christian plants her on his cock"

"Seriously, this is the funniest thing I've ever done!"



"Shit, where's your cock gone?"

Eagle-eyed readers will have spotted that Jessica isn't sure what she's actually studying, which must make her just about the ditsiest blonde we've ever come across. Come up pet, you must have some sort of idea. What sort of things do they talk about in your lessons? There's got to be a clue there...

"Well that's the thing. I kind of mucked up my A-levels, so at the moment I'm not sure what course I'm going to end up on. I might have to re-sit an exam or two and then take it from there..."

Oh, we're sorry to hear that. So what happened then?

"I just find it hard to sit down and study much – I'd much rather be out having fun. After all, you're only young once, and life's too short to spend all your time looking at books, isn't it?"

Good point. To be honest, if I looked anything at all like you do, I don't think I'd manage to get much studying done either. If you could read a boring course book or go and play with yourself in the shower, which would you do?!

Young Harlots Learn The Rules

(Harmony)

If life's taught me anything over the last couple of years, it's that you can't really go wrong with a Young Harlots flick from Harmony. They've been packed full of trouser-tentery since the get-go, so this one didn't spend too long in its wrapper once it arrived on my sticky reviewing desk. Summer Breeze, who stars in the first scene, is absolutely scorching hot, and she's filthy, too – taking on three cocks as if to the manor born. DPs and all sorts follow in what has to be one of the filthiest scenes I've seen in many a moon. She crops up again in a later scene, too, as do cock-gobblers of the calibre of Mandy Dee, Henessy and Eufrat (lez only, sadly). Pretty girls doing super filthy stuff make it another classic YH offering!

Young Pussies & Mature Cocks 2

(Private)

This offering opens with an old bald codger in the shower, where he's spied on by his tasty young, erm, friend. She lures him into her bedroom and – well, the old boy's clearly still got a bit of life left in him! Once the blonde hottie's sucked and wanked him to something approaching hardness he slips her a length, finishing with a creampie for good measure! Next up an amateur photographer is picked up by a blonde who's strolling past – and all of a sudden they're indoors having it off! After that we're with an old chap who's at the doctors to get a cast removed from his arm – and to knob the comely young doctor! He's a bit chubby, but she doesn't seem to mind one bit! Not sure if the same can be said about the girl who trombones the Allan Ginsberg lookalike in the last scene, though!

A Girl's Best Friend 1

(Girl + Girl Productions)

What's this, a film about bleedin' diamonds? That's not going to be all that arousing, is it? Oh, hang on though – it seems a girls real best friend is her vibe! Thank goodness for that. Oh, well, a vibe, and another girl, in any case. There's no mucking about here – we're straight in at the deep end with hardbodies Nina and Trinity getting chummy on the sofa. Before you can say "Where did I put those Kleenex?" one of them's got a vibe up her arse and another buzzing on her clit, and the girls don't look back. After that every scene follows almost exactly the same lines, so if you like the sound of buzzing as a couple of youngsters shove things up their nether holes, you're in luck!

Young Sluts On The Rampage

(Private)

Ha-ha! The scenes for this one open with some strange variety of lounge-y jazz, which put a smile on my face, even before the titular young sluts put in an appearance. First up is Rose, who gets a bouquet of roses (see what they did there?) and a shafting from her fella. She's a very pretty thing, and her shaven pussy looks most inviting as it's pounded away at, I have to say. Bummery gets a look in in the next (apallingly dubbed) scene, in which a brunette rides a large black cock while another one dumbly watches, clutching a teddy. Very weird, frankly, but also very rude. Other highlights include the very saucy Sera Passion having a stab at anal (it's all a bit much for her), and that incidental music, which really is bonkers.

Being creative types, we took Christine here along to disused old house we knew to get the atmosphere for this shoot. We were worried she might be a little freaked out by the place, but it turned out we needn't have feared…

"This remind me a little bit of the first time I popped my cherry!" she told us. "I was going out with a guy who was a couple of years older than me who was actually living in a squat at the time. Naturally my Mum and Dad didn't like him much, but I really had the hots for him and one night when I was round there I figured it was time to take the plunge!"

Really? Tell us more?

"Well, I'd already given him a couple of blow-jobs earlier in the week, so it seemed only natural that we should fuck. He didn't last very long, to be honest…"

We can't really blame him!

BRIONY

PHOTOGRAPHY: DDF

The nude has been a staple of art classes pretty well ever since mankind first started daubing the walls of his cave with pictures, so it's somehow appropriate that Briony here, an art student, no less, should be peeling off her undies and giving us an eyeful of her nude form in all its teenie glory! But has the girl herself had to do any life drawings from nude in her studies?

"Oh yes!" she giggled. "It's something we had to do really early on in our course. The model was a guy, and he had the most wonderful body – but I found it really hard to draw him. Aside from his great body, you see, he had a lovely thick prick on him, and I kept fantasizing about going up there and sucking it, right in front of the class! I just couldn't get it out of my head, and in the end I had to go off to the loo for a sly wank before I went crazy!"

Well, it's probably just as well the model didn't realise what you were thinking, otherwise he'd have got a big stalk on in front of everyone!

"I wish he had, actually!"

Scottish lassie Emily may only be 19 years old, but she reckons she already knows what it takes to make a guy happy…

"Well, I don't know if there's any secret to it!" she laughed when we asked her what her secret was. "To be honest, I think a lot of guys will be happy enough to be in bed screwing a cut 19 year old girl. I mean, I love it, so I don't see why they shouldn't!"

Hmm, it sounds like she might have a point there. After all, when you're as cute and horny as Emily here, you don't really need to worry about having too many tricks up your sleeve, do you? Us guys aren't so picky they're going to find fault in bedding such a lithe young beauty – unless there really is something terribly wring amiss like she stinks or something! But what was that about her loving being in bed screwing a 19 year old…

"Oh, well, I'm only young and I want to have a bit of fun, so yes, I've had a few nights between the sheets with some of my girlfriends. I think it's a nice way of passing the time if you've got nothing else to do – and believe me, in the little village where I come from, there's not that much to do!"

Nothing much to do but have rampant lesbo sex with your mates? Our hearts bleed!

KAREN

PHOTOGRAPHY: T. SOCKS

Just when you were starting to think that surely we can't get any more fresh faced lovelies to open their shapely thighs for you this issue, here's Karen to prove you thoroughly wrong! She got in touch with us a couple of months ago because her boyfriend said he reckoned she was pretty enough to be featured in a magazine and she wanted to find out if he was right. Well, it wasn't long before we were on the blower confirming her boyfriend's opinion, and a few days later there we were, watching as she stripped off and played with that delectable little pussy for us – and you lot, of course!

Perhaps not surprisingly, she was a little bit nervous about the whole thing, but we all did our best to act as professional as possible as she got those tiny tits of hers out and wriggled out of her panties, and it wasn't long before she'd almost forgotten we were there. Within half an hour it looked like she was enjoying herself even more than we were, which is really saying something!

GISELLE

PHOTOGRAPHY: T. SOCKS

TEENS UNTAMED

COLLEGE

NAME: Giselle

AGE: 20

STUDYING: Law

STUDENT

As a law student we figured Giselle was probably fed up to the back teeth with lame jokes about seeing her briefs and silk and so forth, but, for want of anything funnier to say, we tried them on her anyway. She laughed politely enough, but we could see her heart wasn't really in it. So at that point we gave up the whole legal thing and decided to talk about something we actually know a bit about instead – sex! So how does a typical 20 year old law student get her jollies these days?

"I don't think I'm the right person to ask, really!" she replied. "After all, I don't think I'm a typical 20 year old law student. Apart from anything else, there aren't many of us who'd be prepared to take the plunge in a magazine like this one. I think I'm a fair bit hornier than most of my classmates, so when I'm not studying I tend to hang around with quite a different crowd."

Well that sort of makes sense, but surely she'll end up all square once she's graduated and starts practising law?

"I don't see why! There's nothing illegal about liking a regular portion of cock, as far as I know – and I'm the expert here!"

Good point – and that goodness, too!

SEX LOVING STUDENTS WRITE...

arse, I'm dying to see how it feels," I begged him. In the end he agreed and told me he'd be over in 20 minutes. I was so excited that I masturbated while I waited and sprang from the sofa when the doorbell rang. I opened the door wearing all my sexiest little panties and was about to drag him inside when I saw, to my total surprise, that it wasn't Scott at all. It was his flatmate, Greg.

"Sorry, Scott's not coming. He said he would just to fob you off and sent me over instead. Will I do?"

I was deeply hurt by Scott's snub and should've slammed the door in Greg's face (I don't do anyone's seconds) but I was so ready and looking forward to having a cock in my arse that I would've let anyone fuck me at that moment.

"Get in here and just sort me out then," I said, dragging him in by the hand. Greg tried to kiss me but I pulled away. "You can fuck me, but no kissing," I told him. Greg agreed and followed me through to the bedroom and stripped.

I was excited at how raw and impersonal this felt and slipped out of my knickers, climbed up onto the bed and bent over.

Greg was naked and hard behind me. He stuffed his face between my buttocks and licked all around my pussy before tracing his tongue up to my bumhole. It tickled at first but felt unbelievably dirty and I loved it when he poked the tip inside me and tongue-fucked my ring.

I pulled at his stiff cock, turning myself on the more I played with it, but not daunted at all by his size. He had a nice big dick, but as far as I was concerned, the bigger the better. I smeared baby oil all over the length of his pole, then handed him the bottle and told him to do the same with my ring.

Greg poured it directly onto my arsehole and mashed it in with his long fingers. I gasped each time he penetrated me and gyrated my hips as he fingered my bum.

"You filthy bastard," I moaned, jerking his oily prick back harder and harder. "Get your cock inside me now."

Greg got to his knees and rubbed his slippery shaft against my quivering arsehole. He angled his dick down then pushed inside. My taut ring held him at bay for a couple of seconds, then yielded as he applied more pressure.

I screeched as he entered me but told him to keep on going when he paused. His cock felt gigantic inside my virgin arsehole, but I swallowed it up, all seven meaty inches of it. Once he was all the way inside, Greg held me by the hips and gently rocked his cock backwards and forwards between my cheeks. I gradually got used to the feel of it and even found myself sighing with contentment as my arse was fucked off.

Greg fingered my pussy as he fucked my arse and the two-hole combination rocked my womb and resulted in the most fantastically-heady orgasm of my life. I've had great sex before, but this had to go down as the filthiest of my life for sheer dispassionate, animalistic fucking. I moaned as I came and thrust back against Greg, urging him to do the same and finally he pulled his cock from me and sprayed a monster load of spunk all over my gaping arsehole.

It was so satisfying and I asked Greg to stay and do it again, but he pulled his pants up and insisted he had to run. I couldn't understand why he was in such a hurry but five minutes after he'd gone, Scott turned up and told me he was ready to get it on.

"What do you mean?" I asked.

"You phoned and said you wanted to try anal," he explained.

"That was over an hour ago," I said.

"Yeah, Greg told me you'd rang again to tell me not to come over till nine. Well, it's nine now."

That dirty bastard, I smiled to myself. He was always listening in on our conversations on the bedroom extension. I couldn't help but admire his sheer barefaced cheek.

"What's up? Don't you want me to fuck you in the arse any more?" Scott asked. I led him into the bedroom and told him I certainly did – more than ever, in fact.

Dawn, Exeter.

TEEN SPIRIT!

I've been buying Paul Raymond magazines for donkey's years, and I always wondered why your company never put out a teenie mag, given that your other titles are always so much better than the opposition – so I was delighted to discover Teens Untamed when it first came out last year.

Sure enough, it's already featured some real top notch stunners, with special praise being reserved for Valerie from 1.3 and Caprice from 1.2. Really looking forward to seeing who you've got in store for us in 1.4!

Dave, Stockport.
